## deugro USA Appoints Jolie Cosman

**Houston, Texas, USA, February 16, 2021 – deugro USA is bolstering the strong team in Houston, Texas and has appointed Jolie Cosman as Senior Business Development Manager, effective February 16, 2021.**

In her new role at deugro, Jolie Cosman will contribute her exceptional knowledge of logistics and her experience in the industry to the team. She worked in operational, commercial and management roles before running her own freight forwarding and Letter of Credit consultancy business as The LC Whisperer for the past 14 years. She is now making a pivotal change in her career and has decided to join deugro's global organization.

"Jolie Cosman is a true front-line professional with a lot of energy, who is able to support and lead a wide range of customer solutions for deugro USA. We look forward to welcoming her to the team," said Tobias M. Schultz, Executive Vice President, deugro group.

Born in Uruguay, Jolie Cosman continues to have strong ties to South America. The deugro teams in Brazil, Peru, Chile and Uruguay are looking forward to working with Jolie Cosman, as is deugro worldwide. In addition to her work in logistics, Jolie Cosman has been a certified member of the Houston District Export Council since 2010 and is a former President of the International Transportation Management Association (ITMA).

"I'm delighted to be part of such a global organization with contacts all over the world. I can't wait to contribute my industry experience and to work with the teams in developing the business," said Jolie Cosman, Senior Business Development Manager, deugro USA.

### **About deugro**

deugro is a highly specialized freight forwarder with a strong focus on turnkey logistics solutions for industrial projects. We have a proven track record in successfully executing projects of any magnitude, even under the most challenging conditions and requirements.

deugro focuses wholly on identifying and solving clients' specific needs with unique tailor-made solutions that fulfill all requirements. To deliver the best in both cost and performance, deugro serves as an extension of its clients in their respective supply chains. It provides ocean and inland waterway freight services, road and rail transportation as well as airfreight to almost any destination.

Thanks to a vast network of more than 70 company-owned offices in over 40 countries, deugro leverages comprehensive and in-depth expertise around the world to deliver on its promise. Clients benefit from global coverage and local expertise at every major industrial hub.

deugro was founded in 1924 in Frankfurt am Main, Germany and is a family-owned enterprise in its third generation, with nearly a century of experience in the logistics industry. Today, deugro is an independent company of the deugro group, which is comprised of several companies focusing on project freight forwarding, ocean transportation of heavy lift and project cargo, transport and marine engineering as well as specialized transportation assets.
